

EST. INTERNATIONAL STONE ATELIER

AstraVish Global.

Crafting Timeless Stone Excellence — granite, marble
and natural surfaces for the world's most considered spaces.

GRANITE · MARBLE · QUARTZ · NATURAL STONE · INTERIOR SURFACES

VOLUME I / 2026 EDITION

astravishglobalcom.net

A house built on stone.

AstraVish Global sources, processes and delivers the finest granite, marble and natural stone from the quarries of South India to architects, developers and design houses across the world.

Our work spans private villas, hospitality, commercial towers, infrastructure and bespoke interior surface programmes. Every block is traceable to its source. Every finish is signed off by hand.
